

Academy Happenings

Week of January 23, 2023

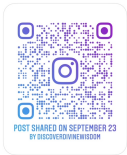

Sparking Minds, Enriching Souls, Inspiring Futures

Catholic Schools Week- St Francis of Assisi said, *Preach the Gospel at all times and when necessary, use words.* Catholic Schools Week is an opportunity to celebrate Catholic education in the United States. Now entering its 49th anniversary year, CSW was designed to help schools connect with prospective families, donors, educators and community members. Here at the Academy, we hope that Sunday, **January 29th** will be the launch of an exciting week of activities for our students as well as an opportunity to showcase all that is special about our school to prospective families. Our school is centered around our love of Christ and the strength of our faith. We are blessed with teachers who guide our students on their path to fully knowing and loving Jesus. Please join us at Mass on **Sunday, January 29th at 10:00 am.** Attached is the calendar with the events planned for the week.
