

19:08:10 From Robert Schirling to J(Direct Message) : Love it!  
19:26:33 From Nalini Singh : What is consider the PREK 4? After PREK 3 isn't kindergarten?  
19:28:57 From kathleenfurlong : The PreK 3 is for 3 year old; PreK 4 is for 4 year olds. Kindergarten comes after that for 5 year olds. Must be born in 2020 for the 3 year old program and 2019 for the 4 year old program. Must register through NYC for these programs. Register on our website for Kindergarten  
19:29:37 From Karen Virgino : new parent here. are the teachers or other staff CPR trained as well?  
19:30:09 From Nalini Singh : My child was born 2018 December. Will I registered for kindergarten and not PRE k 4?  
19:31:11 From kathleenfurlong : Since your child will turn 5 in 2023 they would register for Kindergarten. NYC does not allow you to register for Prek if child turns 5 before December 31.  
19:31:13 From Linda's iPad : Yes. The full time registered nurse as well as three other staff members are trained.

19:33:29 From Karen Virgino : can we make chess club more inclusive and not restricted to only Grade 4+? my daughter is in 1st grade and was told by admin that she cannot join  
19:33:46 From Yang Liu : Reacted to "can we make chess cl..." with 🙏  
19:35:59 From Yang Liu : my understanding of the chess club is that once we reach quorum we can get one going with dedicated teacher? am I right? 2nd grade chess player here. now we have 2.  
19:36:58 From Karen Virgino : Reacted to "my understanding of ..." with 🙏  
19:37:45 From Karen Virgino : that would be great. the response I received from admin was bc of "age and ability" while my daughter is well versed  
19:37:59 From Penedo : Maybe if possible, to advertise to local public schools or neighborhood websites/FACEBOOK pages etc. or local parish churches on their bulletins to attract incoming middle school students who do not know about DWCA  
19:38:45 From Yang Liu : i remember we need 7 children to get a chess class going. vaguely.  
19:41:15 From Karen Virgino : LOVE Melanie

19:44:50 From Stephanie Lovinsky-Desir : Investment in Niche is such a great idea! Has there been discussion about how to recruit from the 3K and 4K programs? Seems like there is a big drop off in registration between PreK and Kindergarten.  
19:47:28 From kathleenfurlong : We do actively recruit from those grades. We have visit days and reach out to those families. The big drop off is due to the fact that PreK is free and Kindergarten is not. Many families want to try the free public school option. We are however seeing more families choose to stay which is encouraging. We also reach out to neighboring perk programs that don't continue

beyond PreK.
