

Academy Happenings

Week of May 8, 2023

Sparking Minds, Enriching Souls, Inspiring Futures

May was chosen by Representative Frank Horton of NY and Senator Daniel Inouye of Hawaii to commemorate the contributions, the diversity of cultures and achievements of the brave immigrants that came to call the U.S. their home. Today the Asian Pacific community is represented on different levels of government, theatre, sports, military, business owners, and medical fields to name a few. This month we honor the Asian American and Pacific Islanders who have enriched the diversity in our community.
