

# Academy Happenings

Week of May 15, 2023

*Sparking Minds, Enriching Souls, Inspiring Futures*

From May 15- June 2 students will be taking the 3<sup>rd</sup> i-Ready Diagnostic of the school year. We have dedicated time all year for students work on their personal instruction paths to practice skills in both math and reading. Please encourage your child to take this diagnostic seriously and try their best so that we obtain accurate data on their academic growth. Family reports will be sent out in June.
