Sparking Minds, Enriching Souls, Inspiring Futures

GOD BLESS AMERICA!!!

Memorial Day 2023 is celebrated on Monday, May 29, 2023. It is a day that commemorates the men and women who made the ultimate sacrifice for our country while in the U.S. military service. We spend time remembering those who lost their lives and could not come home, reflecting on their service and why we have the luxury and freedom that we enjoy today. May we all keep these brave men, women and their families in our prayers.
