Divine Wisdom Catholic Academy is dedicated to keeping our community informed about the ongoing Capital Improvements Projects taking place over the summer. These essential projects will lead to significant enhancements in various aspects of the Academy, including academic programs, classrooms, security, and the parking lot, ultimately contributing to a safer and more conducive learning environment.

The Capital Improvement Projects currently underway encompass a range of upgrades, including:

1. Upgrading Servers & Operating System for Academy's Network Service.
2. Replacing the floors in our Junior High School and Gym for enhanced safety and comfort.
3. Adding a Perimeter Fence and Gate to improve security in the parking lot and recess area.
4. Replacing the Fire Alarm System to ensure optimal safety measures.
5. Introducing a Movable Spirit Wear Store for added convenience and school spirit.
6. Upgrading the Cabinetry in Father Smith Hall to enhance functionality.
7. Conducting furniture replacement and repairs to maintain a conducive learning environment.
8. Installing new copy machines to facilitate efficient administrative operations.

We are excited about the positive impact these projects will have on Divine Wisdom Catholic Academy and its community. By continually investing in our infrastructure and programs, we are dedicated to providing the best possible educational experience for all our students and staff. Stay tuned for further updates on the progress and completion of these projects!
