

Academy Happenings

Week of September 18, 2023

Sparkling Minds, Enriching Souls, Inspiring Futures

Beginning the Week of September 18th, Academy students in grades 1-8 will take the first of three Math diagnostic assessments. Kindergarten students will take the assessment at a later date as they are still getting the hang of being kindergartners! i-Ready uses a scale to measure student performance indicating the skills they have already mastered and the skills they need to work on throughout the year. Parent reports will be sent home in October. As I mentioned at the meeting Thursday night, it is important that all students try their best so that we are able to collect good data and track academic growth throughout the year.

- Sept. 17** Catechetical Sunday
- Sept. 18** iReady Diagnostic begins
- Sept. 22** Grade 8 Ring Day
- Sept. 26** Class Pictures-All students in uniform

Are You Reading???

Studies show that the more you read, the more academic success you will have. Make time each day to read, read, read.

DWCA's TACHS Prep Class begins on Wednesday, September 20th 3:15-5:30

Please pick your child up at the Alameda Door.

Lunch Time

The Week of September 18th is the first round of special lunches. Special lunches may not be purchased during the lunch periods.
