The Blessings of Diversity

DWCA is blessed to have families that trace their family traditions to many places in the world. Continuing this January, we would like to give our students an opportunity to share a special day, event or person connected with the country or area of the US that has special significance in their family. We begin this month with highlighting Haitian Independence Day on Jan. 1st and the great works of the Venerable Pierre Toussaint. Please email dwisdom@dwcaonline.org if your child is interested in sharing about their family traditions or celebrations.
