Women's History Month

March is the month where the contributions of women to events in history and today are celebrated. This year Divine Wisdom would like to celebrate the women in our school community that are making a difference by having a Career Day on Tuesday, March 19th. You will be receiving the link to a survey asking if you would like to come in and talk to our students about your careers. You may also use the link below to complete the survey by March 4, 2024. We hope to make this a special celebration for our community!
