To Whom It May Concern,

Divine Wisdom Catholic Academy (Academy) is a small community based 501(c)(3) non-profit elementary school in Queens, New York (Tax exempt ID EX-247928). We are hosting our Spring Fling on Saturday, April 27, 2024 and we need your help to make it a memorable and successful evening!

The Academy is Celebrating its 15th Crystal Anniversary endeavoring to provide a Christ-centered education that is academically vigorous and empowers students to reach their full potential - spiritually, intellectually, morally, physically, and socially. Our goal is to nurture each student's ability in developing their gifts to be used in life-long service, following Jesus' example through prayer, service, and love. The Academy has approximately 350 students in 3K through 8th grade.

Our commitment to academic excellence is demonstrated in a strong curriculum with technology-enabled classrooms supported by State of the Art Computer and STEM labs, Music Conservatory, and Art Studio. The Academy has been recognized for its excellence by Niche.com with an A+ rating. Teaching our students a sense of respect and justice for others is of key importance. As such, the students regularly reach out to others by assisting charitable organizations through food, book, and toy collections and other volunteer endeavors resulting in the Academy receiving the Loukoumi Foundation Make a Difference Award in 2023 and being asked to join the Loukoumi International Foundation.

Like most schools around the country, the Academy relies heavily on fundraising to underwrite the increasing costs of educating students. Net fund-raising proceeds are used to support our academic and enrichment programs, as tuition charged covers only a portion of such costs.

We hope you will consider lending your support to the Academy by donating an item or service to be auctioned at the Spring Fling and/or placing an advertisement in our digital journal which will be visible to all attendees at our event and to all Academy friends and families on our website. Your support is crucial to the event's success and your donation is tax-deductible. For your convenience, we have attached a donation form.

Thank you for considering a donation. Every donation helps us reach our goal and provide the necessary resources to improve the Academy and support our student's education! If you have any questions, please contact the Academy's main office at 718-631-3153.

With grateful appreciation,
The DWCA Spring Fling Committee
