

Academy Happenings

Week of June 17, 2024

Sparking Minds, Enriching Souls, Inspiring Futures

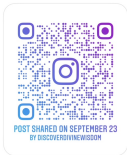

Father's Day is celebrated around the world recognizing and honoring the contributions of fathers and father figures in the family. June 16, 2024, we celebrate all the special gentlemen that play a significant role in the lives of their children. Fathers are superheroes, who may not have superpowers but always have super hearts. Wishing you a wonderful day!
