

6<sup>th</sup> Grade NEWSLETTER  
Mrs. Lugones & Mrs. Savage

Looking into October....

**Reminders & Updates**

This month we have started traveling to ICC for gym classes and the students have adjusted well. We have completed taking the Terranova testing.

We will be having a Halloween celebration on Wednesday, Oct. 31<sup>st</sup>.

Remember...Friday, November 2<sup>nd</sup> is First Friday and 12pm dismissal!

It's getting chilly! Be sure that all jackets and fleeces are labeled with your child's name. All sweatshirts and fleeces worn in school must be in accordance with our uniform policy. ☺

Keep in mind that ALL students are to be held accountable for being prepared for class each day with the necessary materials. In addition, it's an important reminder that ALL homework should be completed in a timely manner, if not, this will negatively impact students' grades!

**MATH UPDATE**

*The 6<sup>th</sup> grade Math eBook is now available online. Please visit the Math homework page to find link and log in information. This week we have completed applying operations with Fractions and will be discovering operations with Decimals for our next unit.*

*Please be sure to sign and return all Math assessments. This is part of homework and will be reflected in the Math homework grade.*

**ELA & Social Studies**

*The students have been learning about the unique vocabulary used in the genre of Mystery. They are very intrigued as we entered into our first class novel The Westing Game.*

*In SS we have started our study of the Paleolithic Age. The students are making observations about the survival of Early Man in the Stone Age.*

**SCIENCE UPDATE**

We have concluded our unit of study for the scientific method, however, we will continue to work on this throughout the year. Currently, we are discussing early man and archaeology. Specifically, we are studying the discovery of Lucy and the Homo Neanderthals. This is in alignment with the Social Studies curriculum of Ancient Civilizations.

**6<sup>th</sup> Grade October Birthdays**

*October 4<sup>th</sup> – Meeko Singca*

*October 6<sup>th</sup> – Zachary Casson  
and Jonathan Gordon*

*October 25<sup>th</sup> – Ryan Shim*
