Mrs. Savage**

**April 17, 2019**

**Dear Sixth Grade Parents:**

**I hope this letter finds you well. Before I jump into the “classroom info”, I want to take a moment to wish you all a blessed, peaceful Easter and time off with your family and loved ones.**

**Here’s what’s happening....**

**ELA – We have started our close reading of The Lightning Thief, which will directly links to our study of Ancient Greece in SS and upcoming discussions of Greek Mythology. So far, they are all very drawn to this novel. It’s great to see!**

**SS – We have started our study of Ancient Greece. We have discussed the geographical aspects of this civilization and the kids will be assessed on that knowledge after the Easter break. We will then continue to learn about everyday life, religion, government, and the origin of the Olympic Games. When we conclude our study of this civilization, the students will receive a formal assessment.**

**Religion – The students were tested today on the topics of Lent, The Triduum and Easter. After the holiday break we will be continuing our Old Testament study in chapter 5 which include the “Patriarchs of our Faith”.**

**Reminders:**

**\*Friday, May 3<sup>rd</sup> is Gala Community Day for those who signed up! The event will take place from 12Noon – 2:30PM (there is NO after school following the event). For all others, Mass at 10:45am and 12:00 dismissal.**

**\*Birthday celebration reminder – I respectfully requested at the beginning of the year that any birthday celebration treats be inclusive of the entire 6<sup>th</sup> grade, as these treats are shared at lunch. The kids are in middle school and we do not take out instructional time for this purpose. Class population is 50 children. I thank you for your cooperation. If there are extenuating**

**Happy Easter!**
