

Pre-K Newsletter

Week of

May 20th – 24th

Special Announcements:

Please return all school option papers **as soon as possible** if you have not done so already. Please let us know if you need an additional copy.

Save the date!

Our End of Year Celebration and last day of school will be on Thursday June 20th. More information to follow.

Reminders:

- Please remember to return the field trip consent form.
- Pre-K starts at 8:00am. Please make every effort to be on time to join the first activities of the day.

This week, we read the book *Stellaluna* by Janell Canon. The book explored the differences and similarities among some baby animals. One baby animal got lost and became friends with others.

Together we charted the different types of baby animals. We discussed specific names of baby animals such as cub (tiger, lion, cheetah), infant (gorilla, orangutan, humans!), pup (sea otter, seal, dog) and calf (elephant, giraffe, cow). Our class also voted on whether to change our Dramatic Play Center to a vet's office or a pediatrician's office. We chose vet!

We continued our research at the Science Center with information books and iPads, drawing and writing about chosen baby animals in our science journals.

In Art, we painted, collaged and drew pictures of baby animals to present to our friends during circle time.

Next week, we will be continuing our study of animal babies.

Events and Birthdays:

May 27th – Memorial Day – School Closed

June 12th - Bakers and Shakers

June 20th - End of Year Celebration
