

The NASA Academy of
Future Space Explorers

Calling all Space Explorers!

Mad Science presents: The NASA Academy

From our earth's atmosphere to the outer reaches of our solar system, join us on a quest for exploration! Comets, planets, stars and more are all waiting to be discovered. Learn about the four forces of flight and the challenges of space travel. Some of the weekly topics in this session include:

*Planets and Moons, Atmosphere and Beyond,
Space Phenomena, Sun and Stars, Space
Travel, Space Technology, Living in Space*

A minimum number of students must be enrolled in order for each class to run. Final decisions to run or cancel will be made one week before the start date of the program. There are no refunds for programs children fail to attend.

Sparking Imaginative Learning
