Dear 7th and 8th Grade Families:

Good morning. We hope all are well and staying healthy.

The 7th and 8th grade teachers have been in constant touch and diligently working on long distance learning plans. We aim to continue following closely to the curriculum and are confident that we are well-prepared. Starting tomorrow, material, videos, and assignments will be posted and continually updated.

Please check in to your homeroom teacher's page on Google Classroom. You need to comment on the Attendance post in the stream by noon ("I'm here!" or "Present!") Monday – Friday (you do not need to check in on Saturday/Sunday).

It is imperative that all students check Google Classroom daily to keep up with learning and assignments. Each assignment will have a specific due date that is reflective of the rigor and length of the assignment. We do not want to add any additional stress to students and families.

The 7th and 8th grade teachers will be available for questions and answering emails between 10 am – 2 pm as the expectation is that students will be working on assignments during the school day.

No new assignments will be posted on Saturday or Sunday, but due dates may span over the weekend (i.e. something assigned Thursday could be due on Monday).

Students are required to complete all assignments by the due date. Any work that is missing or late will negatively impact grades.

We appreciate your cooperation. If there are any questions or concerns, please feel free to email any of us. Our prayers are with you – stay safe.

Sincerely,

Ms. Karen Carella kcarella@dwcaonline.org
