All instances of such behavior must be reported immediately to the administration, who will investigate the matter and enforce the consequences deemed appropriate.

It is further recommended that administrators refrain from personal social media communication with students, parents, and school/academy staff, and teachers and school/academy staff with students, parents, and administrators. It is the professional responsibility of all educators to ensure that professional and personal activities are kept separate. Please consult your local handbooks for further policies and guidelines.

8. Distance Learning:

Distance learning which is facilitated by a Parish School or Catholic Academy within the Diocese of Brooklyn is bound by all parts of this AUP. As distance learning requires the use of other mediums such as teleconferencing platforms, virtual classrooms, digital file transfer and online work, there are other factors that need to be addressed.

- a. Device Usage** – The use of school/academy or personal devices for distance learning is allowed. It is recommended that all school/academy issued accounts only be used for schoolwork purposes and that those accounts are signed out of after work is completed. All usage is governed by this policy.
- b. Video/Audio Conferencing** – Video or audio-conferencing platforms may be used to facilitate class meetings and communication between teachers and students for teaching and group work. When using these platforms, participants must remember to conduct themselves in a professional manner commensurate with behavior expected in a physical classroom. Entering meetings other than those you are explicitly invited to by the coordinator (teacher, principal, etc.) is strictly prohibited. Trying to circumvent the security of a meeting, “hijacking” a presentation or displaying any objectionable content during a meeting is a direct violation of this policy and subject to the disciplinary actions contained within. Recording of video/audio conferences is also prohibited.
- c. File Transfer/Submission** – The transmittal of files may be required at times for teachers to provide and students to submit work. The willful transfer of objectional material, malicious content or any other such transmissions is a violation of this policy.
- d. Learning Platforms** – The use of learning platforms such as ThinkCentral, Learn360, Mathletics, Microsoft 365, Google Classroom and others is for the sole purpose of supporting and furthering the education of students. Any use of these platforms for any other reason may be considered a violation of this policy.

Any use or misuse of the technology provided for distance learning that interferes with the education of students or the operations of the school/academy is a violation of this policy.

NOTE:

Students will not be given access to school/academy technology without an appropriately completed and signed acknowledgment form on file in the school/academy office.
