DIVINE WISDOM CATHOLIC ACADEMY WANTS YOU!

Our first week of in-class and remote learning at Divine Wisdom Catholic Academy is finished. Our faculty and staff worked tirelessly to meet the educational, social and spiritual needs of our in-class and remote students, while keeping everyone safe and healthy. We look forward to the day we can welcome our remote learners back into the building!

I am also pleased with the eagerness and desire of our students to get back to the business of learning. Despite the challenges and restrictions, we are making learning happen!

We have seats available for in-class learners in several grades. We know parents, particularly working parents, are struggling with the uncertainty surrounding the in-class delays at public schools. We encourage working parents who want a loving, rigorous and safe learning environment for their children to contact us NOW at dfasciana@dwcaonline.org. We will contact you right away.

We are committed to "Sparking Minds, Enriching Souls, Inspiring Futures", keeping Christ in the center of everything we do.

Sincerely,

Robert Schirling
Chairperson, Board of Directors

Miriam Bonici
Principal

Investments in the education, health and safety of our learners:

- Installation of high efficiency heating and air conditioning system for entire building.
- Air purification units in each classroom
- Chromebooks or tablets for each student's individual use
- Internet upgrades to improve streaming speeds and reliability
- Hiring of Health and Wellness Director to advise Board of Directors and Principal on best practices
- Hiring of New Cleaning Company familiar with COVID-19 disinfecting procedures
- Individual desks outfitted with lightweight desk barriers, for younger grades, table barriers
- Hand sanitizing units in each classroom
- Temperature readers and hand sanitizers at each entrance, including daily electronic health affirmations
- Use of masks, social distancing, regular handwashing
- Established protocols in the event of COVID-19 exposure
