Week of

October 26<sup>th</sup> - 30<sup>th</sup>

## Special Announcements:

**Please note that school will be closed for Thanksgiving from November 25<sup>th</sup> – 27<sup>th</sup>.**

The Flu Shot deadline is December 31<sup>st</sup>. Please submit proof of your child's flu shot before Winter Recess.

## Reminders:

- If you wear boots for the rainy/cold weather, please do remember to pack sneakers for indoor recess, especially on Tuesdays for gym.
- Please continue to encourage your child to independently put on their coats and begin to zipper/button them.
- Please check for possible Covid symptoms before coming to school each day and fill in the health questionnaire.

This week we began our new unit all about using our five senses to explore Fall!

We started by focusing on our sense of sight and discussed all of the things we can see with our eyes. We played the game "I Spy..." searching for things we could see with our eyes within our classroom.

The children discussed how glasses and contact lenses are worn by some children and adults to help their vision. Additionally, we learned that people who are blind use walking sticks or guide dogs to help them.

We felt excited to go on our first nature walk and used our sense of sight to learn about the area around our school. We observed a variety of objects, colors and shapes on our walk. At the Science Center we recorded our observations using a combination of drawing and dictation.

Next week we will discuss our sense of hearing!
