Reminders:

- Please continue to dress your child for outdoor play, including appropriate outerwear and sneakers. 3K will be playing outside even as the weather gets colder. You can support your child's self-help skills by encouraging them to dress themselves for outdoor play!
- Please dress your child in sneakers for running around the playground and on Fridays for gym class.
- Please practice with your child how to help undress themselves in cases of an accident during the day.
- Please have your child practice putting on their jackets and fixing their sleeves when taking their jacket off.

This week we wrapped up our theme on Self by focusing on our bodies. We read *From Head to Toe* by Eric Carle and enjoyed acting out different things that we could do with our body parts (stomp our feet, wave our arms, snap our fingers).

In the Art Center, the children had an opportunity to create a me puppet by thinking about what body parts would make up the puppet and using our fine motor skills to collage various materials onto the puppet.

In the Science Center, the children had an opportunity to make fingerprints with inkpads and observing them using magnifying glasses. The children were encouraged to share what they saw from their observations.

Next week we will be starting our new unit on Us. We will be exploring the classroom more closely by reviewing our daily routines, as well as encouraging the children to complete things more independently.
