**Special Announcements:**

Please note there will be after school available on Wednesday, November 24.

We have now entered flu season. Please do remember the DOE final deadline for your child's flu shot is December 31<sup>st</sup>. The flu shot is mandatory for attendance in 3K in January.

**Reminders:**

- Please continue to dress your child for outdoor play, including appropriate outerwear and sneakers. 3K will be playing outside even as the weather gets colder. You can support your child's self-help skills by encouraging them to dress themselves for outdoor play!
- Please dress your child in sneakers for running around the playground and on Mondays for gym class.
- Please practice with your child how to help undress themselves in cases of an accident during the day.
- Please have your child practice putting on their jackets and fixing their sleeves when taking their jacket off.

This week we read the books about community helpers that sparked a conversation about Grown Ups that we see around us in the community.

At the Art Center the children had an opportunity to draw and dictate what community helper they would like to be and why.

In the Dramatic Play area, the children had an opportunity to act out their favorite community helper as they interacted with their friends.

In the Block Center, the children had an opportunity explore with the community helper vehicles and block people. They got to act out how these community helpers help the community with the jobs that they have.

Next week we will continue our unit on Us by focusing on Caring.
