Dear 3K Families,

Next week we will be starting our new unit on Care by focusing on how we can care for others. You can support this by having a discussion with your child about what the word care means and modeling how to care for others. You can also bring attention to how your child shows caring by praising the actions that they do when they show care for others. Please take a photograph of your child's experience and write down your child's dictations on how they cared for others to share with the class. Have fun!

We can't wait to see and hear what the children have to share!
