

3K Newsletter Week of March 28th- April 1st

Special Announcements

There is no school on Wednesday, April 6 due to Teacher Development.

Now that the weather is getting warmer, please start sending in replacement clothes for your child that is weather appropriate.

This week we continued our unit on Moving by focusing on how our bodies move. We spoke about different ways that we could move our bodies, such as jumping, skipping, hopping, running.

We also focused this week on the season of Spring. We read a variety of books about Spring and what makes Spring unique. Some things that were said was that baby animals are born and plants start to grow.

In the Art Center, the children had an opportunity to create a Spring art. Some of the types of art that the children chose to make are bird's nests, flowers, and Spring paintings.

The children had an opportunity to act out different types of body movement during our movement session.

Next week we will be finishing our unit on Moving by investigating how we move through the city.

Reminders:

- Please be sure that your child has a jacket or sweater to go into the playground now that the weather is getting cooler!
- Please dress your child in sneakers for running around the playground and on Mondays for gym class.
- Please practice with your child how to help undress themselves in cases of an accident during the day.
- Please have your child practice putting on their jackets and fixing their sleeves when taking their jacket off.

Events and Birthdays:

April 6th- No School (Teacher Development)
