### Special Announcements

Now that the weather is getting warmer, please start sending in replacement clothes for your child that is weather appropriate.

This week we started our unit on Caring by focusing on how we can care for others. We brainstormed various ways that we can show care for others, such as share, play with them, help them, and so on. We also spoke about how animals care for their babies.

We read a variety of books about baby animals, as well as caring for others in general. The children had an opportunity to compare and contrast how that is the same and/or different from human babies.

In the Art Center, the children had an opportunity to create baby animals of their choosing using a variety of materials provided. They also drew portraits on how they can care for others, as well as dictate their responses.

The children practiced using manners to care for others throughout the day.

Next week we will be continuing our unit on Care by focusing on how we can care for ourselves.

### Reminders:

- Please be sure that your child has a jacket or sweater to go into the playground since the weather is still a little cool at times!
- Please dress your child in sneakers for running around the playground and on Fridays for gym class.
- Please practice with your child how to help undress themselves in cases of an accident during the day.
- Please have your child practice putting on their jackets and fixing their sleeves when taking their jacket off.
