Dear 3K Families,

Next week we will be starting our new unit on Growing by focusing on how we have grown. Your child may do a small poster on what they were able to do as a baby, as opposed to what they are able to do now that they are older. You can write down your child's dictations on what they say. They may provide pictures of themselves as a baby, as well as what they look like now. Your child may decorate their poster anyway that they like. Have fun!

We can't wait to see and hear what the children have to share!
