

Pre-K Newsletter

Week of May 23rd – May 27th

Special Announcements:

Pre-K is closed on June 8th
for Faculty Professional
Development.

Our End of Year Celebration
will be on Thursday June 23rd.
More information to follow
soon.

Reminders:

- Please check the weather and apply sunscreen prior to school. Hats may be worn outside.
- Please wear sneakers or soft-soled closed shoes as we visit the playground daily now.

This week, we began discussing what human babies need and ways we care for human babies. We read *Everywhere Babies* by Susan Meyers. The children were thrilled to share some of their personal experiences and loved guessing which classmate each baby picture belonged to!

We turned Dramatic Play into a pediatrician. The children were actively engaged in imaginative play, taking care of the babies using some baby items, such as bottles, toys and diapers.

At the Art Center, children created additional baby items using recycled materials, such as rattles and cradles and high chairs!

Next week we will begin to explore how babies grow and change.

Events and Birthdays:

May 30th – School Closed for
Memorial Day

June 8th – Pre-K Closed

June 20th – School Closed

June 23rd - End of the Year

Celebration and last day
