

June 10th 2022

Dear Pre-K Families,

This week we have been discussing ‘Transformation.’ To *transform* means to make a thorough or dramatic change in form, appearance or character.

At home, please continue to discuss all the changes we have discovered around us, from our own growth and change and our changing emotions, to the changes we see in nature through the seasons and plants, and how we can experiment with changes in objects too, like freezing/melting and cooking foods.

If possible, please visit or walk past the school your child will be attending in the fall. If they are moving school, discuss with them what looks different or the same from Divine Wisdom Catholic Academy.

Thank you for supporting our learning throughout this year!

Mrs. Blanco and Mrs. Buscemi
