

Pre-K Newsletter
Week of
June 13th - 17th

Special Announcements:

Reminder that our end of year celebration will be held on June 23rd at 9:30am in the schoolyard.

Please note extended care after school ends on Tuesday June 21st.

Wednesday June 22nd is a half day with dismissal at 11:20am.

This week we discussed many things in nature that change or transform, including the weather and seasons, the metamorphosis of some insects, and animals that transform to camouflage themselves. We read *The Very Hungry Caterpillar* by Eric Carle and compared this to non-fiction books about caterpillars and butterflies.

At the Art Center we created butterfly blots and looked at the symmetry of their wings.

At recess we looked at what happens to a puddle in the sun as we painted with water on the ground. We also looked at the changing shapes in the clouds and went on a bug hunt!

We talked more about how the children have ‘transformed’ this year.

For our last week, we will continue to review our year in Pre-K through a series of challenges.

Reminders:

- Please check the weather and apply sunscreen prior to school. Hats may be worn outside.
- You do NOT need to bring back blankets on Tuesday.

Events and Birthdays:

- June 13th – Jesse’s 5th birthday!
- June 20th – School Closed - Juneteenth
- June 23rd - End of the Year Celebration and last day
