

## 3K Newsletter

### Week of June 6<sup>th</sup> - June 10<sup>th</sup>

### Special Announcements:

Please remember to RSVP with the number of people attending our End of the Year Celebration by Wednesday, June 15.

### Reminders:

- Please dress your child in sneakers for running around the playground and on Fridays for gym class.
- Please practice with your child how to help undress themselves in cases of an accident during the day.
- Please have your child practice putting on their jackets and fixing their sleeves when taking their jacket off.

This week we started our new unit on Change by focusing on how things change.

We read a variety of books about how things change, such as what happens when the seasons change, as well the change of night and day. We also spoke about how the weather can change around us.

In the Art Center, the children had an opportunity to draw pictures of how seasons, the weather, or the day changes. They dictated their drawings and explained what changes happen during these events.

We also got to see how our caterpillars came out of their cocoons and became butterflies.

Next week we will be continuing our unit on Change by focusing on things that change.
