

3K Newsletter Week of June 13th- June 17th

Special Announcements:

Please remember that there is no school on Monday due to Juneteenth.

Children will come in regular time the day of the celebration and dismiss afterwards.

Reminders:

- Please practice with your child how to help undress themselves in cases of an accident during the day.
- Please have your child practice putting on their jackets and fixing their sleeves when taking their jacket off.

This week we continued our unit on Change by focusing on things that change.

We read a variety of books about things that change, such as the weather, as well as reviewed what happens when the seasons change and the change from night to day.

In the Art Center, the children had an opportunity to continue drawing pictures of how seasons, the weather, or the day changes. They dictated their drawings and explained what changes happen during these events.

We also got to see how a head of romaine lettuce can change when left in a cup of water. The children noticed that the lettuce started to grow!

Next week we will be finish our unit on Change, as well as celebrate our End of the Year Celebration.

Events and Birthdays:
