

Finance Club!

It's never too early to learn about money.

Wednesday's or Thursday's **5th-8th grades**

12 Weeks, beginning the week of 9/27 and ending the week of 12/12 **Time: 2:50-4:00 PM**

This curriculum is divided into 4 sessions throughout the year. Your child is encouraged to attend all four sessions to get the most out of this financial literacy program. However, it is not required. This form is to register for session 1 only.

Session 1- Earning Income and buying goods and services (current registration)

Session 2- Saving and budgeting

Session 3-Finacial Investing

Session 4-Protecting and insuring & college/entrepreneurship/trade

As part of the program, if the live Stock Market Game is running, all Finance club students will have access to participate it.

We will be using resources from Seedlyng, a financial education program designed to teach students about money and finances from a young age. As part of this program, your child will also have access to an app with tons of resources and information they can use at home, and with their parents and siblings. Please see below for a description from Seedlyng and information on downloading the app to see what it is all about.

Seedlyng Financial Education's mission is to take the fear out of finance. We understand that learning about money can be overwhelming for students and parents at home.

Our innovative tools like our mobile app and our resources for teachers in the classroom, ensures that students, teachers, and parents at home can learn and grow together. Download the app for your mobile device by visiting download.seedlyng.com
