

Dear Parents and Guardians,

Happy Summer! Summertime is the perfect time to help get your child ready for kindergarten.

Attached is a summer packet that goes over topics such as letters, numbers, colors, name writing practice (first and last), colors, etc. We ask that you take the time to work with your child to complete these pages, please spread the packet out throughout the summer, rather than doing it all in a day or two. Learning should be fun! We want this to be a fun and interactive experience for both you and your child!

Along with the summer packet, please work with your child on gaining independence in zipping up his/her own coat, buttoning pants/skirts, using the restroom and washing hands properly, opening and closing lunch/snack containers and juice boxes, and using scissors and glue correctly. Practicing these are skills that will help your child be successful in kindergarten!

Thank you for your cooperation, have a good summer and we will see you in September!

Thanks again,
Kindergarten Team
